SOFTNESS OF SEALSKIN.

Is Rivalled by Human Hair Where Dandruff is Eradicated.

Sealskin is admired the world over for its softness and glossiness; and yet the human hair is equally as soft and glossy when healthy; and the radical cause of all hair trouble is dandruff, which is caused by a pestiferous parasite that saps the vitality of the hair at its root. Newbro's Herpicide is the only preparation that is fatal to the dandruff germ. Without dandruff there is no falling hair, but a luxuriant growth of glossy, soft hair is certain. Scouring the scalp won't cure dandruff. Kill the dandruff germ. Thousands of women owe their beautiful suits of hair to Newbro's Herpicide. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

MEMORIAL DAY

"Old Boys in Blue" Fittingly Celebrate Time-Honored Occasion—Flowers, Music and Oratory

Only a Few of the Old Guard Present to Sing Requiems Over Dead Comrades

That death is rapidly thinning the ranks of the veterans of the Civil War in this vicinity, as well as throughout the land, was painfully apparent in the handful of old soldiers in attendance upon the exercises at the Cemetery yesterday afternoon—the weight of many years and feeble health accounts for the non-presence of the remaining few of the Grand Army of forty-two years ago, the inception of the Grand Order.

Since the organization of Joseph Heiser Post No. 13, G. A. R., twenty-seven years ago, more than a hundred of its enrolled membership now rest in a soldier's grave in our beautiful City of the Dead, and few are left to carry out the duty enjoined upon the living in paying tribute to our honored dead. But it is for the remnant to keep in mind the sublime and noble words of the founder of the Grand Army when he said—"If other eyes grow dull and other hands slack and other hearts cold in the solemn trust, ours shall keep it well as long as the light and warmth of life remain to us."

"Let us, then, at the time appointed, gather around their sacred remains and garland the passionless mounds above them with the choicest flowers of springtime; let us raise above them the dear old Flag they saved from dishonor, let us in this solemn presence renew our pledges to aid and assist those whom they have left among us, a sacred charge upon a Nation's gratitude—the soldier's and sailor's widow and orphan."

Yesterday was an ideal day, bright and beautiful, and the Cemetery, with its green sward and foliage, and mounds decorated with flowers, presented a scene lovely to behold. The assemblage gathered on the sacred ground was not as large as in former years, which may be accounted for in part in the drawing power of a game of baseball going on only a short distance away, at the very hour of the decorative services.

The program at the Soldiers' Monument consisted in the ritualistic work of the Order, a recitation by little Miss Anna Wood, several selections rendered by Markle's celebrated band, the strewing of flowers in memory of the unknown dead and songs by a male choir concluded that part of the program.

Captain Thomas A. Davis' introductory remarks were pertinent, being in perfect unison with the spirit of the occasion. Captain Davis has the knack of knowing what to say and how to say it. In his addresses he is at all times pleasing and instructive.

Rev. F. W. Harrop, the orator of the day, a forceful and erudite speaker, was in perfect trim and at himself on this occasion. His address was in line of patriotism, better citizenship and Christianity, and that he was familiar with his subject was manifested in the pleasing and educational manner in which he imparted the essence of each separate branch of his theme. He was given the closest of attention throughout his oration.

The exercises closed with the band playing the "Star Spangled Banner."

Free Child's Remedy

What mother is not looking for something that will help her children in the little ills of life, something for the stomach trouble and the bowel trouble? Long ago she probably has become convinced that a child cannot readily swallow a pill or a tablet, and that to "break them in half and crush them" is an annoyance; that usually they work too drastically, and are nauseating and too powerful for the little one's stomach. Any mother who will take the trouble of sending her name and address can obtain a free sample bottle of a remedy that thousands of other mothers are using and now paying for. This remedy is Dr. Caldwell's Syrup Pepsin, and the offer of a free trial bottle is open to any mother who has not yet used it. Having used it and convinced yourself that it is what you want, you can obtain it in the future of your druggist at fifty cents and one dollar a bottle, just as so many others are doing, the free sample being simply to convince you of its merits. It is the best way to begin on it. Mrs. L. Davis of 187 W. Harrison street, Chicago, and Mrs. Mary Belford, 1710 Coke street, Louisville, Ky., both started with a free sample and now they write that they have never been without a bottle in the house since.

It is undoubtedly a great family remedy, as it is adapted to all ages, being mild and pleasant to take and yet thoroughly effective. It is especially the ideal remedy for children and women and old folks, who need something pure, mild and natural. It has the advantage of being a thorough laxative and yet containing tonic properties. Use it for the most stubborn constipation, indigestion, liver trouble, sick headache, sour stomach and such complaints with a guarantee that it will cure.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. I explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 507 Caldwell building, Monticello, Ill.

We Presume You Know

The weather up to now has not been as favorable to clothing men as they had hoped for, but it is all right
for those who have not yet bought their spring clothes. It's awful early in the season to begin to cut prices
on exceedingly desirable goods, but we don't want to offer 1910 spring clothes in 1911. Beginning Satur-
day, the 28th, all our

A GENEROUS AND KINDLY ACT

Joseph Heiser Post No. 13, G. A. R., was in
a dilemma yesterday and owes a debt of grati-
tude to Captain Markle of show boat fame that
will endure for years to come. Had it not
have been for the generosity and big-hearted-
ness of the patriotic Captain in placing his ex-
cellent Challenge Cornet Band at the disposal
of the Post Commander free of charge the
decoration exercises at the Cemetery would
have been void of music. To Captain Markle

AWFUL PAINS FULLY DESCRIBED

A Lady of Pizarro Tells Story of Awful Suffering That Cardui Finally Relieved.

Pizarro, Va.—"I suffered for several
years," writes Mrs. Dorma A. Smith,
"with that awful backache and the bear-
ing down sensations, so fully described
in your book.

"I tried doctors and other medicines
and found little relief, until I was induced
to try Wine of Cardui, when I found in-
stant relief and today I can heartily
recommend Cardui to all suffering women
and think there is no other as good."

In some instances, Cardui gives instant
relief; in others, it may take a little time.
But in all cases of female trouble Cardui
can be depended on to be of benefit, as
it is a specific remedy for women and
acts in a curative way on the womanly
organs.

As a general tonic for women, to build
up your strength, improve your appe-
tite, bring back rosy cheeks and make
you look and feel young and happy,
nothing you can find will do so much for
you as Cardui.

Your druggist has it.

Reduced One-Fourth.

In looking over our Silk Stock we find more high grade rajahs
than good merchandising sanctions at this season, so to enlist your
interest and clear the shelves we cut the price from \$1 to 75c. These
Silks include all the popular colors, are extra wide, are woven with a
very fine but strong warp and are not loaded to give them momentary
weight. Neither are they filled to to make the rough surface that is
their beauty. That effect is produced by natural unevenness in the
silk used in weaving rajahs.

This is genuine rajah silk. The cheap weaves masquerading
under the name in no way compare to it in beauty and wearing
quality.

It is a stylish, effective and durable material for women's and
children's coats, for suits and dresses. You won't be disappointed if
you investigate the offering.

In three qualities, 50c, 75c, \$1 yard and several widths varying
from 2 to 4 inches we're showing some exquisite new Baby Irish

Insertions for trimming shirtwaists and dresses. The patterns and
qualities are unusually beautiful for even our high grade embroidery
stock.

The third item concerns some new narrow edgings embroidered
in colors. Hemstitched or scalloped edges on Swiss or Nainsook.
Only an expert could distinguish this embroidery from hand work.

THREE DEFEATS

Maysville Walloped 8 to 6 By Portsmouth and Lose Double Header at Augusta

Portsmouth 8, Maysville 6.

Augusta 12-8, Maysville 0-6.

That's the way two of Maysville's baseball clubs were "decorated" Decoration Day.

The game here yesterday afternoon between Portsmouth and Maysville drew a thousand people to the ball park and all of them were well paid for attending, as the contest was the most interesting of the season. Maysville led two to one in the batting, and with the proper support of Pitcher the home team would have skinned the Shoemakers a mile.

Portsmouth led in the first four innings and it looked like our boys were playing for a lot of goose eggs, when the Maysville team woke up and slugged the Portsmouth twirler to beat the band.

There were several three baggers on the Maysville side and in the last half of the home team's final inning Dunbar knocked the ball clear out of the field and down Prospect street past the Hutchinson residence. For distance it was the longest hit ever pulled off on the local diamond and Dunbar made a home run, which set the crowd wild.

But Jack Rohan called it a "chanteclar" and that settled it.

The Portsmouth waived their half of the ninth, the score standing 8 to 6 in their favor.

Although the White Sox suffered two defeats at Augusta, the boys were treated very kindly and had a good time. Scores 12-8 Augusta, 0-6 Maysville.

Aids Nature

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making materials, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves—in short establishes sound vigorous health.

If your dealer offers something "just as good," it is probably better FOR HIM—it pays better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.

VICTIM OF TERRIBLE CRIME

LOUISVILLE, Ky., May 30th.—With the finding today of her mutilated and decomposed body in a sub-cellar under one of the parish schools of St. John's Catholic Church, at Clay and Walnut streets, part of the mystery surrounding the disappearance of Alma Kellner, the eight-year-old daughter of Mr. Fred L. Kellner, on December 8th, has been solved.

The body was found only a few yards from the entrance to St. John's Church, where Alma had gone to attend services the morning of her disappearance. The police are looking for Joseph Wendling, former janitor at St. John's Church, who, since January 14th, over a month after the disappearance of the Kellner girl, has been missing.

REV. W. W. AKERS DEPARTS

Severs Pastoral Relations With Central Presbyterian Church—Resolutions of Respect and Regret

In severing the Pastoral relations between the Rev. W. W. Akers and the Central Presbyterian Church, the congregation Sunday unanimously adopted the following resolutions of regret:

WHEREAS, Amid the vicissitudes of life we must share its sunshine and its shadows, and whereas our hearts are overshadowed today with the gloom of severing very tender ties, Resolved, First, It is with the sincerest regret that we consent to the dissolution of the Pastoral relationship of our beloved Pastor, Rev. W. W. Akers, and the Central Presbyterian Church.

Resolved, Second, We hereby bear testimony that Brother Akers has been efficient and faithful in the services of the sanctuary, preaching the Word in its simplicity and power. As a Pastor, he has been gentle, and sympathetic, tender and kind, manifesting loving solicitude for the spiritual welfare of his people. In his ministrations to the sick and afflicted, he has been laborious and untiring, bearing to them the sweet consolations of that pure and holy religion which he loves and lives. As a friend, he has always been, and shall always be welcome in our homes, bringing, as he does, comfort, sunshine and good cheer. Further,

Resolved, That we acknowledge God's goodness in sending to us Mrs. W. W. Akers, whom we recognize as an ideal Pastor's wife, and whose active interest in every department of Church work has made her the wonder and admiration of this congregation. Further,

Resolved, That in the departure of the Rev. W. W. Akers and family from our Church and city we feel that we have sustained an irreparable loss, and while we greatly deplore their going, we commend them to the confidence and love of our sister Church.

Deafness Cannot be Cured by Local Applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
